EASTER

Easter is an important Christian festival and holiday celebrating the resurrection of Jesus Christ. There are many different customs for celebrating Easter around the world, but the Friday before Easter Sunday (Good Friday) and the Monday after are given as a bank holiday in the UK.

Early celebrations included the painting of eggs. Now we give Easter eggs - often chocolate - to friends and family, and have Easter egg hunts for eggs hidden by the Easter bunny.

When is Easter?

Easter is not a fixed holiday and the date varies between 22nd March and 25th April.
